About Informa Markets

Informa Markets creates platforms for industries and specialist markets to trade, innovate, and grow. We provide marketplace participants around the globe with opportunities to engage, experience, and do business through face-to-face exhibitions, targeted digital services, and actionable data solutions. We connect buyers and sellers across more than a dozen global verticals, including Boating, Pharmaceuticals, Food, Fashion, and Infrastructure. As the world's leading market-making company, we bring a diverse range of specialist markets to life, unlocking opportunities and helping them thrive 365 days of the year. For more information, please visit www.informamarkets.com.

About the National Marine Manufacturers Association

The National Marine Manufacturers Association (NMMA) is the leading trade organization for the North American recreational boating industry. NMMA member companies produce more than 80 percent of the boats, engines, trailers, marine accessories and gear used by millions of boaters in North America. The association serves its members and their sales and service networks by improving the business environment for recreational boating including providing domestic and international sales and marketing opportunities, reducing unnecessary government regulation, decreasing the cost of doing business, and helping grow boating participation. As the largest producer of boat and sport shows in the U.S., NMMA connects the recreational boating industry with the boating consumer year-round. Learn more at www.nmma.org.

About the International Yacht Brokers Association

The International Yacht Brokers Association is the world's largest yacht brokers association with members in over 40 countries. Our stated goal is to promote professionalism and cooperation in the yacht sales industry. We accomplish those goals through education, networking, and the removal of barriers to commerce. Visit www.iyba.org for more information.
